Dear \_\_\_\_\_:

PLEASE TAKE NOTICE that I, \_\_\_\_\_ ("Buyer"), hereby revoke acceptance of the above-referenced item pursuant to Idaho Code 28-2-608 on the grounds that a nonconformity substantially impairs the value to me and (check one):

- I accepted it on the reasonable assumption that its nonconformity would be cured and it has not been seasonably cured; or
- I accepted it without discovery of such nonconformity and my acceptance was reasonably induced either by the difficulty of discovery before acceptance or by the seller's assurances.

The nonconformity is generally as follows:

This revocation expunges the contract, including the payment obligations and repossession rights. In fact, Idaho Code 28-2-711(3) grants me a security interest in the vehicle to recover payments made. Therefore, I respectfully request a return of any and all amounts I have paid. Upon receipt of the same, I will surrender the vehicle to you.
